

Agreement on Cooperation

Between the **Institute of the Regions of Europe (IRE)**, Franz-Josef-Kai 1, 5020 Salzburg, Austria represented by IRE-Chairman Univ. Prof. Dr. Franz Schausberger and University of Travnik, Bosnia and Herzegovina represented by Prof. Dr. Jugoslav Jovičić.

Preambulum

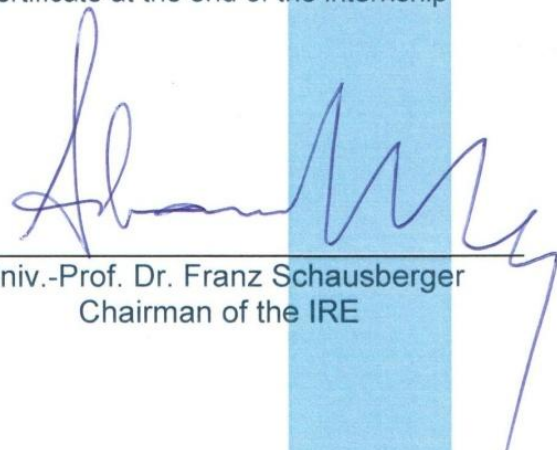

The cooperation partners consider their collaboration in ordinary of analysis research and science in the field of regionalisation and decentralisation in Europe. Respecting the autonomy of each institution the University of Travnik and the Institute of the Regions of Europe (IRE) agree on a cooperation in the following fields in detail:

Fields of Cooperation

- Mutual invitation to activities organised by one of the institutions
- Exchange of information relevant to the other institution
- Relaying of information on activities of the other institution to own members
- Conjoint planning of activities and projects on topics that are relevant to both institutions
- Exchange of publications
- Linking of the respective institution to the own homepage
- Conjoint elaboration of an internship exchange programme. An internship with the IRE last for four weeks at least. Besides helping with the Institute's daily activities interns are held to produce an own piece of written work on a topic that is relevant to the IRE. Satisfying performance as well as a good written work and presentation of it are precondition for the issue of the certificate at the end of the internship
